REPORT OF THE SECRETARY-GENERAL PURSUANT TO SECURITY COUNCIL RESOLUTION 1046 (1996)

Addendum

In my report on the financing of the United Nations Preventive Deployment Force currently before the General Assembly (A/50/895), the cost of maintaining the Force in its present composition for a 12-month period is estimated at $52.4 million. Therefore, should the Security Council decide to extend the mandate of the Force for a further six-month period as I have recommended, the cost for the extension period would be $26.2 million.
